DIRECTOR'S MESSAGE

Dear All,

At **IBMS Certification Pvt. Ltd.**, we are committed to delivering excellence in ISO certification, auditing, and training services. Our mission is to empower businesses by ensuring compliance with international standards, enhancing their credibility, and fostering a culture of continuous improvement.

In today's rapidly evolving global market, organizations must adhere to best practices to remain competitive. Through our dedicated team of experienced auditors and industry professionals, we provide value-added assessments that help businesses achieve their sustainability and quality objectives.

We take pride in our **customer-centric approach**, emphasizing **transparency, integrity, and professionalism** in every engagement. Our goal is to build lasting partnerships with clients by offering **tailored certification solutions** that align with their unique industry needs.

As we continue to expand our global presence, we remain committed to being a **trusted partner** in quality, safety, and compliance. Together, let's build a future where businesses thrive through trust, recognition, and continuous improvement.

Aman Gupta

Director, IBMS Certification Pvt. Ltd.

CERTIFICATION MANAGER'S MESSAGE

Dear All,

At **IBMS Certification Pvt. Ltd.**, we take great pride in upholding the highest standards of certification, ensuring that organizations achieve excellence in quality, safety, and compliance. Our commitment is to provide **transparent, impartial, and credible certification services** that add real value to businesses worldwide.

In an era where global standards are shaping industries, certification is more than just a requirement—it is a **strategic tool for growth, trust, and sustainability**. Our role is to guide organizations through the certification process with professionalism, integrity, and a focus on continuous improvement.

With a team of **highly qualified auditors and industry experts**, we ensure that our assessments align with international best practices. We believe in **collaborative success**, working closely with our clients to help them achieve their business goals while maintaining compliance with ISO and other regulatory frameworks.

As we move forward, our goal remains unwavering—to support businesses in their journey toward **excellence and global recognition**. We look forward to being your trusted partner in achieving international standards of quality and efficiency.

Achal Gupta

Certification Manager, IBMS Certification Pvt. Ltd.

WHO WE ARE

IBMS CERTIFICATION PVT. LTD. was established in 2024 to provide **Management System Certification** services at both national and international levels. Dedicated to staying accessible and responsive, IBMS prioritizes proximity to clients, ensuring seamless support and collaboration.

With a broad portfolio of certifications, IBMS specializes in **Quality, Environmental, Occupational Health & Safety, Food Safety, Information Technology, and Anti-Bribery Management Systems.**

Backed by a team of technically proficient experts, IBMS works closely with clients at every stage of the certification process. The company takes a **proactive approach**, attentively listening to client requirements and delivering **timely, effective solutions.**

IBMS is distinguished by **sector-specific auditors and trainers** known for their expertise and dynamic approach. By helping organizations develop and certify **robust management systems**, IBMS drives **sustained innovation, compliance, and profitability.**

Committed to excellence, IBMS tailors its services to meet the unique needs of every client, ensuring high-quality certification solutions that foster long-term success.

WHY CHOOSE IBMS CERTIFICATION?

At **IBMS CERTIFICATION PVT. LTD.**, we don't just issue certificates—we **empower businesses with credibility, compliance, and continuous improvement**. Here's why organizations trust us for their certification needs:

Our Key Strengths:

✓ **Global Recognition & Expertise**

IBMS provides internationally accepted **Management System Certification** services across diverse industries, ensuring compliance with global standards.

✓ **Comprehensive Certification Solutions**

We specialize in **Quality, Environmental, Occupational Health & Safety, Food Safety, Information Security, Anti-Bribery, and other key management systems**, helping businesses achieve excellence.

✓ **Client-Centric Approach**

Our commitment to **accessibility and responsiveness** ensures that clients receive **personalized support** throughout their certification journey.

✓ **Experienced & Sector-Specific Auditors**

IBMS is backed by **highly skilled, industry-specific auditors and trainers** who bring **technical expertise and practical insights** to every project.

✓ **Efficient & Transparent Processes**

We simplify the certification process with **clear guidelines, timely audits, and a proactive approach**, ensuring **minimal disruption and maximum value** for businesses.

✓ **Commitment to Excellence**

At IBMS, we **listen, adapt, and deliver**—helping organizations **achieve compliance, enhance operational efficiency, and foster continuous improvement**.

OUR VALUES

"Our values are deeply embedded in our DNA, guiding our collaboration with business partners and shaping our team interactions. Committed to service excellence, teamwork, people dedication, and quality assurance, we have fostered a dynamic company culture where innovation thrives, individuals flourish, and success blossoms."

Service Excellence

Our clients are the cornerstone of our business. We dedicate significant efforts to comprehending their needs and providing responsive solutions. Every decision we make is driven by customer feedback; our range of certification services and related offerings are designed to deliver tangible value to you. We operate dynamically, focusing not only on attracting new clients but also on fostering and retaining the loyalty of our existing clientele.

Commitment to Our People

We recognize that our people are our greatest asset, so we seize every opportunity to invest in them. Our culture fosters the nurturing of talent and rewards achievements; it's the cornerstone of creating and sustaining the finest team imaginable..

Quality Assurance

"At IBMS, we are committed to continuous quality enhancement, striving to deliver services that are superior, more efficient, and tailored to your evolving needs. For us, quality is not just about meeting standards—it's about consistently exceeding expectations in every aspect of our operations."

Team Work

"Collaboration is integral at IBMS. Every team member plays a pivotal role, contributing knowledge and expertise to enhance our services for customers. Our cooperative approach extends to our clients as well—recognizing the importance of teamwork, we work together to achieve optimal outcomes."
